GodZone Ministry

Mission Statement GodZone Ministry's mission is to glorify God by sharing the gospel through today's many avenues of media and media training.

GodZone Ministry

Goal GodZone Ministry's goal is to provide a Christian atmosphere that will attract youth and encourage and teach them to become Disciples of Christ.

GodZone Ministry

Objective The purpose of GodZone Ministry is to create bibliographically accurate media tools to reach and witness to all of God's children. Our vision is to win as many souls to Christ as possible for the glory of God. GodZone Ministry believes that a media production organization with Christian fundamentals can be a positive influence to people around the globe. With so many media programs that glorify immoral, violent and anti Christian content, we lose connection with positive Christian influence.

GodZone Ministry

Prayer We give all praise and glory to God for every opportunity, blessing and trial we face at GodZone Ministry each and every day. May God open our hearts, eyes and ears to his will. We pray that God will guide this ministry in a way that will improve the moral and spiritual values of our communities through the works we do for Him. We pray for strength, courage and wisdom in fulfilling the call God has put on our hearts. We surrender this ministry, ourselves, and our works to our Lord and savior Jesus Christ. God be with us as we enter the battle field.

Amen

Scripture to Live By

Mark 16:15 (New International Version) "Jesus said to them, "Go into all the world and preach the good news to all creation." "What better way to do that than through the media." Stuart Miller
